

Pre-Authorized Debit

We believe that pre authorized debit (PAD) enables you to faithfully partner in the ministry of your Corps and to further God's work in our community.

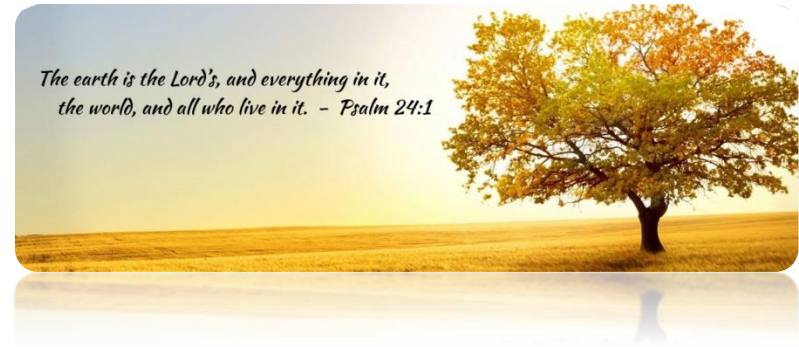

PAD is an automatic withdrawal from your bank account that helps you to stay on track of your giving commitment.

Not only can you process your tithe through PAD, but any offerings, gifts to missions or other financial designations you might consider. All donations are confidential and completed through our financial institution. Your tax receipts will promptly be processed the same way you're used to.

To participate in the Pre-authorized debit program, please see your Corps officer or Secretary for the form!
