

Lay Leadership Covenant

The Salvation Army Canada & Bermuda Territory

A leader in the local church is a servant of Christ who serves His church, having a positive and productive impact on others, on the mission, and the Kingdom. This influence is motivated by a Christ centered and others focused approach, by the vision and values of the church, and is lived out through the example, conviction, and character of the leader.

As a Leader, I will humbly strive to...

- be an example and advocate for Biblical life choices, values, and conduct.
- embrace a life of discipleship to Jesus, seeking to allow the Spirit to transform me into closer resemblance of Jesus Christ.
- engage in Christ's teaching and in the spiritual disciplines of daily devotion, prayer, tithing, worship, and sharing my faith with others consistently.
- support the mission and vision of my local church through regular participation that contributes to the Great Commission in a manner that obeys the Great Commandment.
- serve my church and my community faithfully in the area of ministry to which I have been appointed.

I confirm that the above statements are true of me and that, to the best of my ability, I intend to continue to seek Jesus and grow in these areas. I recognize that my character, servanthood and example are integral to leading Christ's Church well, and if I, or my officer determine that I can or should no longer fulfill this leadership role, I will step down from my leadership position.
