

Hi kids!

You might see a lot of people wearing red flowers on their coats around this time of year.

The flower is a poppy. It is a symbol to remind us of the people who died in war.

The first red poppy was given out in Canada in 1921. The poppy was chosen because of the poem *In Flanders Fields*, written by a Canadian soldier named John McCrae.

On November 11 every year, we have Remembrance Day. On this day, we think about the many people who gave their lives so that we can live in peace. The Bible tells us that Jesus is the Prince of Peace (see Isaiah 9:6). He gave His life for us so that we could be saved from our sins.

Your friend, Leigha

Hi kids!

One day when I was little, I saw a stuffed toy at the store. It was a white cat. I really wanted it, but my parents would not buy it for me. I was sad. A couple weeks later, I opened the door to my room and saw the white cat sitting on my bed! How did it suddenly appear there? It was a miracle! Or so I thought. It wasn't until I grew up that I realized my parents went back to the store to buy it, to surprise me. Years later when I found out what they did for me, I thanked them.

In the Bible days, Jesus did many miracles during His time on earth to show that He is God's Son. One day, He healed 10 men who were very sick. Can you guess how many came back to thank Him? Read the Bible story to find out the answer.

## Jesus Heals 10 Men

**Luke 17:11-19**

**J**esus was on His way to Jerusalem. As He was going into a village, 10 men met Him. They had a skin disease. They were standing close by and called out in a loud voice, "Jesus! Have pity on us!"

Jesus saw them and said, "Go. Show yourselves to the priests." While they were on the way, they were healed.

When one of them saw that he was healed, he came back. He praised God in a loud voice, threw himself at Jesus' feet and thanked Him.

Jesus asked, "Weren't all 10 healed? Where are the other nine? Didn't anyone else return and give praise to God?" Then Jesus said to him, "Get up and go. Your faith has healed you."

## Attitude of Gratitude!

Create a Gratitude Jar.

**Supplies needed:** Mason jar, ribbon, stickers, clear glue, glitter, paint, pen, paper squares (get an adult or guardian to cut some for you!)

**Step one:** Find a mason jar.

**Step two:** Decorate the jar. Tie ribbon around the jar. Put stickers on the side. Use clear glue and glitter to make it sparkle. Paint it.

**Step three:** Each day write down one thing that you are grateful for on a piece of paper. Fold and place the paper in your jar.

Over time, your jar will be filled with many reasons to be thankful. You can open the jar when you want to remember all the things you are thankful for.

Hi kids!

Have you ever seen a brown spot on an apple? We do not want to eat that part. It's even worse if you see a worm in there. Yuck! We like to eat good fruit. A piece of fruit is the freshest when it is still on the tree. Once we pick it, it starts to go bad. If we leave it for too long, it will be rotten. In the Bible, Jesus often uses examples of nature to help His disciples understand who He is. Once, He told them that He is like a vine and they are like the fruit on branches. Read this issue of *Just for Kids* to find out what He meant.

Your friend, Leigha

## Jesus is the Vine

Jesus said, "I am the vine. You are the branches. If you remain joined to Me, and I to you, you will bear a lot of fruit. You can't do anything without Me" (John 15:5).

Think about grapes. All summer long they grow in the hot sun. But once they are picked, the grapes can no longer grow. They can't survive without being connected to a grapevine. Eventually, they will go bad.

Jesus said He is like a vine. When we stay connected to Him, we grow in our love for God and others. We "bear fruit," which are the good things we do to please God. "When you bear a lot of fruit, it brings glory to My Father," said Jesus. "It shows that you are My disciples" (John 15:8).

Hi kids!

What did you have for supper last night? I had chicken, rice and broccoli. If I lived in Bermuda, I might have had fish, potatoes and peas for dinner. All around the world we eat different meals in the evening. But there was one meal in the Bible that is important to this very day. It was the meal Jesus ate with His disciples right before He died. The meal was simple, but its meaning was important. Jesus wanted to let His disciples know that His death was significant. It's because Jesus died that we can know God and live with Him forever. That is why we call Him our Saviour.

## Jesus' Last Supper with the Disciples

From Matthew 26

**J**esus and His disciples went to Jerusalem to celebrate the Festival of Passover. While they were eating the traditional meal together, Jesus took some bread and thanked God for it. He broke off some pieces, gave them to His disciples and said, "Take this bread and eat it. It is My body."

Then He took a cup of wine, thanked God for it, and gave it to them. He said, "Each one of you drink some of it. This wine is My blood, which will be poured out to forgive the sins of many and begin the new agreement from God to His people."

Jesus was telling His disciples that He would die soon. But He wanted them to know that He was choosing to die. He gave up His life so that we can be forgiven for our sins—the wrong things we do.

Jesus died on a cross the next day. But He didn't stay dead. Jesus rose again.
