Since 1976, The Salvation Army has faithfully served throughout the Latin America North Territory, a region rich in culture, beauty and resilience. Across 69 corps, dedicated officers and volunteers bring hope to life through ministries that feed, educate and empower families. From youth and feeding programs to the nurturing environment of day care centres, each ministry reflects God's love in action.

The 2026 Self-Denial Campaign sustains this life-changing work, ensuring that The Salvation Army can continue to share compassion and faith across the territory—fulfilling its call to “**Give from the Heart. Transform the World.**”
