Pray for the Earl Robinson Memorial Lecture Series held at Booth University College on February 28-29, with guest Dr. Joel Green. Ask God to use this event to draw people to Himself.

Pray for the 9th annual SNOW night (Safe Night Off Winnipeg streets) for women engaged in prostitution for survival, held the night of February 18th. Ask God for clarity in preparing for 125 women who will participate and that it will be a night of peace and laughter. Pray also for ‘The Peace of Mind’ women's support group; for the women, their children and the staff facilitating it. There have been many discussions and meetings taking place around human trafficking this month, please pray for discernment and wisdom.
