September 2016 Territorial Prayer Focus

Let us begin this month's territorial prayer focus by thanking God for summer blessings...Beginner guitar players at Lac L'Achigan Music Camp strumming a Chris Tomlin song, "Strength will rise as we wait upon the Lord," testimonies on the beach which led people to turn to Jesus, refreshing days with family and friends, the fruitful ministry of Cadets on summer appointments in 13 communities across our territory...

Pray for those who made commitments at summer camps. Ask God to guide them to a Salvation Army Corps fellowship where they will be welcomed, embraced and supported.

Pray for the Territorial emphasis on Practicing Spiritual Disciplines and this month's focus, Hospitality. Pray that we might make room for others; providing an attentive, loving presence. Pray God will shape our lives through hospitality resources available at www.saspiritualife.ca and in the September Salvationist (page 16).

Pray for school teachers, especially those teachers who are Salvationists. Ask God to stir in them a passion for Him, for students, for teaching, and for learning. Pray that God will use their influence.

Pray for Rally Day events as Corps across our territory host special gatherings to celebrate the beginning of a new ministry season; new small groups, new prayer ministries, new Sunday School classes, new people, new music ministries...

Pray for the Welcoming of Cadets held in Winnipeg on September 18. Ask God to affirm and strengthen the calling of 15 Cadets of the Messengers of the Gospel Session (2016 – 2018). To find prayer prompts to support our Cadets throughout the year turn to the cfot.ca website.

Pray for the Leader's Summit which takes place in Winnipeg following the Cadet Welcome, September 19 – 21. Eight categories of leaders, 120 in total, will gather to co-create Leadership Development Strategies. Pray for unity in purpose and divine wisdom as leaders strategize.

Pray for the Men's and Women's Retreats, Youth Together Weekends, Officer/Leader Spiritual Reflection Days taking place all across our territory this month. Ask God to use these events to form and strengthen spiritual health and well-being.

Pray for the utilization of Right Now Media resources. The territory has invested in a subscription to Right Now Media which provides all Salvationists, employees, volunteers, and the people we serve access to a huge Christian Video Library. Pray this resource is a means of strengthening faith.

Participate in The Salvation Army Annual Day of Prayer for victims of Human Trafficking, September 25. Pray for the enactment of the theme "Speak Out and Give Hope."

Strength will rise as we wait upon the Lord. Pray Psalm 29 and know that "The Lord gives strength to His people."
