Candidates' Connect Application

A disciple of Christ is continually learning Scripture and increasing their knowledge of what it means to follow Jesus. What has discipleship looked like in your life? What methods/resources have you used?

--

In what ways do you regularly connect with God? Where have you seen God at work in your life in the last year? In what ways do you regularly serve in your local congregation and how does that service grow your faith?

--

How can your Corps Officer and Local Officers support you in your discipleship journey?

Future Candidates Connect Statement of Purpose

PURPOSE STATEMENT

Candidates Connect exists to create space for individuals exploring God's call on their life for ministry in The Salvation Army and discerning if Officership is the avenue to obediently respond. Individuals will be given an opportunity to experience community while engaging in intentional spiritual growth and development.

THE THREE PILLARS

The foundation and mission of the Candidates Connect have been captured in the following three pillars:

Building Character

Candidates Connect will actively develop spiritual maturity, practical faith, and holiness of life and witness of the members.

Building Capacity

Candidates Connect will actively develop the practical, academic, and leadership skill and knowledge base of the members.

Building Community

Candidates Connect will actively develop comradery and fellowship amongst members through their shared experience of exploring God's call on their lives.

I have read and understood the Candidates Connect Statement of Purpose. I am committed to following God's specific will for my life and believe that, as a Salvationist, it is my responsibility to actively explore the possibility of Salvation Army Officership as being within His will. I am, therefore, interested in becoming a member of Candidates Connect to further the awareness of His will. I am also aware that this membership does not ensure my acceptance as a Candidate for Officership.
