Jesus' Disciples & Covenant

Big Ideas & Questions for Reflection & Discussion:

Calling and Covenant are intricately linked? How so?

There are two models of Covenant we seek in scripture: Responsive & Conditional.

Covenant can be misplaced; the question at the foundation of Covenant living is not “What can I do for God?” but instead, “What would God have me do?” Do you agree?

What does Covenant mean for you? Is about law or relationship?

A key to Covenant is to remember who God is!

Biblical Covenant is beautifully captured in the Soldier's Covenant: I Believe... Therefore I Will...

**“We cannot be fully alive as long as we are living outside of God's calling for us.”
Think about or discuss that statement.**

What does Covenant look like in your life?
