

@theREADY FRAMEWORK

The @theREADY framework is a longterm discipleship strategy for the Canada and Bermuda territory, designed to resource ministries in their disciple-making efforts. We want to help you make CHRIST-centred, OTHERS-focused disciples who are @theREADY to live as followers of Jesus in their world. The framework provides specific resources and programming ideas, as well as biblically sound, age-appropriate teaching for each phase of a young person's development. Here are some answers to some of the most frequently asked questions about the @theREADY framework:

WHAT TYPES OF RESOURCES ARE PART OF THE FRAMEWORK?

The framework includes:

- a combination of various curricular and family resources created by Orange (see @theREADY Orange Overview) and enhanced with SA distinctives;
- materials developed "in-house" to support soldiering and Salvationist-specific programming and leadership training; and
- intentional divisional and territorial youth initiatives.

IS THIS ANOTHER PROGRAM?

No, it's not a program in itself; it's much more than that! It's resources, curriculum, and strategy. It provides a combination of tools to help your programming be even more intentional.

WHAT AGE GROUP DOES THIS RESOURCE?

We want to resource ministries and families for the first 25 years of a young person's life. We believe each phase has unique needs and opportunities for faith development. See the @theREADY framework chart for how various age groups are represented and resourced in this strategy.

DO I HAVE TO RUN EVERYTHING THAT IS ON THE FRAMEWORK?

No, the framework is designed to facilitate flexibility—you choose from the resource options to make a mix that is right for your setting. But it does provide a base discipleship curriculum that will be the new prescribed standard for the territory. How the base curriculum is used can vary from setting to setting.

WHAT'S NEW?

- Our developing partnership with Orange, providing a base discipleship curriculum, leadership development tools, and family resources, is an exciting new venture for our territory!
- We are reimagining deeper discipleship and leadership development experiences for teens and young adults as CC21c: (Corps Cadets for the 21st century): Ready to Lead. See the Ready to Lead spec sheet for more info.

WILL CURRENT YOUTH DISCIPLESHIP MATERIAL STILL BE AVAILABLE?

- Ready to Serve (RTS) will still be a core discipleship component for the elementary-aged phase, along with Orange materials.
- Our current junior high and high school Bible study materials will be replaced with the Orange XP3 curriculum enhanced with SA distinctives. CC21c: Ready to Lead will provide teens and young adults with further Salvationist discipleship and leadership experiences.
