

We've developed the **@theREADY Discipleship Framework** to partner with you in making a disciple-making culture shift in our territory, for the sake of God's kingdom, and for the sake of the next generation.

We are called to "Make disciples." And this should be central to everything we do.

We're moving from a program-driven approach to an outcome-oriented focus. We're committed to resourcing ministries with tools, strategies, and curriculum so that we can work together to make **CHRIST-centred, OTHERS-focused disciples**.

We want to help ministries partner with families—the most significant spiritual influences in a young person's life.

INTRODUCING ORANGE

To help us do that, we've partnered with **ORANGE**, a discipleship strategy and curriculum development organization, to help us help you maximize the impact you have on the next generation.

WHAT IS ORANGE?

BECAUSE **TWO** COMBINED
INFLUENCES HAVE A BIGGER

impact

THAN JUST TWO INFLUENCES

INTRODUCING ORANGE

Discipleship includes outreach & evangelism,
as well as spiritual growth & development.
Communicating that your ministry is “for families,”
can help increase effectiveness in both these areas.

We want to help you make **CHRIST-centred, OTHERS-focused disciples** who
are **@theREADY** at every phase of their growth and development.
