

GETTING TO KNOW orange

ORANGE provides a vast catalogue of discipleship strategy resources, as well as curriculum tools, to help you become even more intentional in your efforts to lead kids into a deeper knowledge and relationship with Jesus.

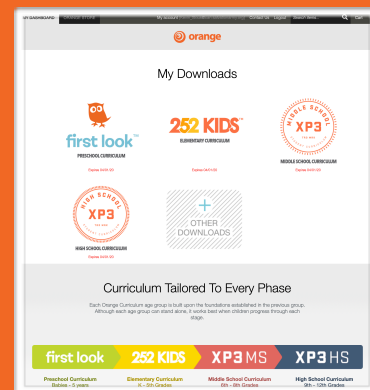

Here are some of the broad resources available to you: (You can dive in deeper to learn more about each resource category in separate glossaries.)

www.saorange.com

saorange.com—the website portal leading you to your access to all your **ORANGE** curriculum and resources

My Dashboard—your direct access to the specific age phase curriculum members of your team have access to.

Thinking Orange in The Salvation Army Facebook Group—an online community of Salvationists across our territory, and around the world, who are using **ORANGE**. This is a place you can ask questions, get quick responses, share ideas, gain helpful hints, discounts and info on upcoming **ORANGE** resources, curriculum, and events.

YOUR orange CURRICULUM

first look™

252 BASICS™

LIVE A BETTER
Story

FIRST LOOK—ORANGE curriculum resources for preschool, including extended options for toddlers and infants, helping children form their first impression of their Heavenly Father.

252 KIDS / 252 PRETEEN—ORANGE curriculum resources for elementary-aged children from kindergarten through grade 5, helping children grow in wisdom, faith and friendship. **252** refers to Luke 2:52: “Jesus grew in wisdom and in stature and in favor with God and all the people.”

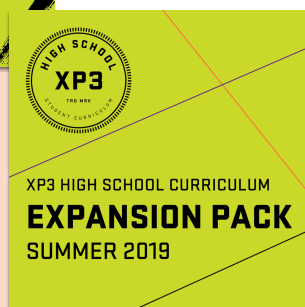

XP3 MS—ORANGE curriculum resources for middle school/junior high students, helping early adolescents begin to personalize and own their own faith. **XP3** refer to 3 experiences that help develop faith: loving God, loving others, and loving one’s own life.

XP3 HS—ORANGE curriculum resources for high school students, helping teens deepen and personalize their faith in Jesus through 3 primary experiences: pursuing a relationship with their Creator, trusting what Jesus has done to transform who they can become, and existing to demonstrate God’s love to those around them.

LIVE A BETTER STORY—ORANGE curriculum resources for emerging adults and beyond, helping adults apply biblical truth to their everyday world.

ADDITIONAL **orange** RESOURCES

weekly

EXPANSION PACKS—As part of your **XP3 MS & HS** curriculums, you'll have access to **EXPANSION PACKS**: another way of guiding your students through small group lessons that is different or in addition to the base **XP3** approach. Students will look up Bible passages and allow this to direct their conversation as they discover biblical truth and its application to their lives together.

ORANGE APPS—You will have backdoor access to two apps developed by **ORANGE**, allowing you to schedule content based on your teaching calendar, that will help develop and resource leaders, as well as help partner with families, as you work an intentional discipleship strategy.

PARENT CUE—a weekly resource for parents and extended family, to help reinforce and integrate biblical truths into regular rhythm and conversations at home.

LEAD SMALL—resources for Small Group Leaders, helping them develop even more intentional vision and approach to pour into and lead their "few".

WEEKLY—additional resources sent to you each week to help you connect with your leaders and with parents, as you work an intentional discipleship strategy.

OTHER COMMON
orange
TERMS

SGL—Small Group Leader. Bible Study Leader. Sunday School Teacher. Youth Group Leader. Coach. ...You get the impression. Anyone who has direct impact on a group of a few youth or children in your ministry, and who helps intentionally guide them to follow Jesus more fully.

"YOUR FEW"—the group of students or kids directly in the circle of influence of a Small Group Leader (SGL).

LARGE GROUP—does *not* necessarily refer to size of group. This is a term of "focus": where anything "up front" happens (singing, worship, presentation of lesson, crowd breakers, etc.)

TEACHING SCRIPT—the outline and script to allow you to present a weekly lesson with creativity in an age-appropriate manner. (This can be interchanged with the **TEACHING VIDEO** for any given lesson.)

TEACHING VIDEO—a high quality produced video, with age-appropriate teaching to engage students with biblical truth. (If you prefer to do the teaching yourself, rather than use video, swap this out with the **TEACHING SCRIPT**.)

SMALL GROUP—*doesn't* necessarily refer to size of group. This is a term of "focus": where the **SGL** will guide students in unpacking and applying biblical truths.

FX (FAMILY EXPERIENCE)—an additional resource designed as a shared experience for children and parents, directly connected to lessons in the **First Look** and **252** curriculums.

PHASE—referring to specific age stages in the development of a child or youth, reflecting how they learn and experience God in each stage. **ORANGE** phases coincide with **@theREADY** age phase categories.

SERIES—a theme focus of teaching taking place over the span of a given month or suggested dates.

MEDIA PACKAGE—the video and graphics component for each teaching series, including teaching videos, countdown videos, motion loops, bumper videos, posters, social media images, PPT and ProPresenter slides, and more...)

ORANGE SPECIALIST—You have direct access to one-on-one coaching and guidance for all things **ORANGE**. **ORANGE** is so committed to their relationship with The Salvation Army that they've hired people who grew up as Salvationists to partner with corps across North America in this way. Fee free to contact **Jackie Raihl** with your questions:
