Armatus Quick Start Guide

Welcome to Armatus! Below you will find instructions for enrolling and logging in to training as well as helpful hints to ensure you retain the information presented in the courses. If you have any questions along the way, contact your Program Administrator. You may also contact Praesidium technical support at support@praesidiuminc.com or 817-801-7773.

To Enroll:

1. Go to: website.PraesidiumInc.com/EnrollNow

Enter the registration code (see codes on next page).
Fill out the form. Choose your location (by division) from the "Organization" drop down menu. Click the button to enroll.

4. Print the page or write down your user login and password for future reference.

5. To begin taking training immediately, click the link or follow the instructions to the right to login later.

To Begin Training:

- 1. Go to website.PraesidiumInc.com/LoginNow
- 2. Enter your user login and password. Then click Login.
- 3. Click on the course image or title to begin.

1. Right Place, Right Time

Set the right conditions for learning. Create an environment with no interruptions, no phone calls, and no distractions. Set aside 30-45 minutes for each course so you do not have to hurry.

2. Take Your Time

Have patience and take your time. Read carefully to make sure you fully understand the content. Rather than rushing through the training, plan to complete only one or two courses each

time you login so you can really absorb what you've learned. If you need to pause and continue training later, the course will start again from the section where you left off.

3. Follow the Arrows

When it's time to move to the next page, an arrow will appear at the bottom right corner. When prompted, click the arrow to move forward.

4. Think About It

Finally, pause and think about what you are learning. Throughout the course, think about how you can apply what you are learning to your own position. We know that with proper concentration you can understand and apply what you learn. When you pass the quiz at the end of the course, you will earn credit.
