

CALLING THE COURAGEOUS...

The Whole World Mobilising app is now available from the App Store and Google Play for Apple and Android devices. Described as a "fitness app for your spirit," it encourages every Salvationist to step out of their comfort zone, share the gospel and participate in frontline service.

The Whole World Mobilising app provides real-time updates on mission activities, practical coaching, devotional readings and community and global prayer. The app unites Salvationists as they track activities on a live world map and connect in conversation with other Salvationists across the globe.

General André Cox says: "The only way The Salvation Army can be a force for good, a force for change and a force for positive transformation in the world is for us to be true to our integrated mission. The world needs us more than ever to preach the gospel of Jesus Christ and to meet human need in his name without discrimination.

"We cannot fulfil that mission by hiding away in our halls and places of worship. Sin, injustice and exclusion are increasingly evident all around us. We were not designed to be a peacetime Army. Our name, uniforms and beliefs only make sense when we are mobilised into action. Here is a great way for you to be involved!"

The app is free to download and is built for light data use, making it accessible all around the world. - taken from *Salvationist.ca*

Hear the Spirit **CALLING THE COURAGEOUS...** to mobilize—"to be faithful to the purposes for which God raise up The Salvation Army, sharing the good news of Jesus Christ, endeavouring to win others to Him, and in His name caring for the needy and the disadvantaged."

The Salvation Army Soldier's Covenant

Consider:
Soldiership within The Salvation Army is more than simply membership—more than just calling a place your church home. Being a soldier is a commitment that stems from a desire to express one's faith as a fully engaged, active Salvationist. How can the covenant of soldiership become a tool that helps you in your daily witness? Where in your community or daily life is God calling you to get up, get out, and courageously mobilize for him?

Pray:
O God who is always on mission to draw people to Yourself, May we be always aware that the harvest is plentiful, and that the workers are few. We pray for workers to be sent into the harvest field. And in so doing, may we be ready and willing to hear your call to go there ourselves, courageously and in Your strength, to bring the message of new life to others.
- based on Matthew 10:2-3

We are witnesses for Jesus in the home and in the mart, Where the cares of life and fashion crowd the Saviour from the heart; When we urge His claims with wisdom many choose the better part; We are witnesses for Jesus in the home and in the mart.

to mobilize.
