# NEW CORPS PLANTING

A Cycle of Support Systems

THQ have outlined a number of support steps to enhance and guide the planting of corps.

**Prayer** for new PLANTS and access to Territorial prayer networks  
**Community Assessment:** identifying potential areas/ demographic analysis  
**Planter Assessment:** Survey of future officers, behaviour interviews

**Coaching:** Tele-coaching, a coaching agreement for confidentiality and reporting

**Events:** instruction and inspiration through events, e.g. Church Planting Canada national congress

**Forums:** supportive peer conversation and prayer e.g. teleconference events

**Networking:** connecting planters and/or divisional leaders with others who share the experience

**Financing:** Endowment Fund available for shared funding of projects, decided on case-by-case need, suitability and availability

**Research:** investigation into current trends and best practices  
**Territorial Strategy:** facilitation of discussion with and among, territorial and divisional leaders on approaches, goals and necessary resources.
