ON THE MOVE

Changes at THQ: At the end of June we said goodbye to the Territorial Corps Ministries Secretary. **Majors David & April McNeilly** will be taking up responsibilities at Oshawa Temple. In July we welcomed **Majors Mark & Isobel Wagner** to the department. Mark has taken up the responsibilities of the Corps Ministries Secretary, and Isobel is taking up responsibilities as the Learning Development & Project Coordinator.

Pray that God will bless, protect, and guide all officers taking up new positions and responsibilities.
