#WhoSoever...

The Salvation Army has always prided itself on being a welcoming community to the 'Whosoever'. The diversity of the 'Whosoever' in Canada and Bermuda has been changing dramatically in recent years.

We want to serve the 'Whosoever', not just by offering food and clothing but by creating real community and friendships. We want to create ways to share the gospel so that the 'Whosoever' will not only be able to understand but also be open to hearing.
