

Situated on the shores of Lake Simcoe, an hour north of Toronto, our cottages are the perfect year round destination. We pride ourselves on providing a family friendly Christian atmosphere to our guests.

Our summer rentals, *July & August*, are weekly stays (*Sat.-Fri.*) and the rental includes dinner for 1-4 guests each night inside our Conference Centre dining room. The cottages have basic kitchenettes so that you can enjoy breakfast & lunch at your leisure.

During the off season (*January – June & September - December*), we offer 2 night minimum rentals and you can prepare all meals in the comfort of your cottage.

Bookings can be made by contacting our Guest Services department.
