VERSE 1

There is an energy moving through me, it's electrifying.

And I never wanna let it go, it's the Holy Spirit.

And it's moving, it's breathing, it's flowing, it's filling,

N.C. And I want more.

VERSE 2

I feel Your energy moving through me

When these bones are tired.

Oh, when I can barely move my feet,

You move them for me.

Yeah, they're walking, they're running,

They're dancing, they're jumping,

N.C. I can't keep still.

CHORUS

Holy Spirit, come move through us.

Now we're dancing, we're dancing in Your freedom,

Now we're dancing, we're dancing in Your freedom.

Holy Spirit, come move through us.

Now we're dancing, we're dancing in Your freedom,

Now we're dancing, we're dancing in Your freedom.

VERSE 3

So let Your energy move through me,

Breathe Your life in me.

I'm trying to move as You taught me,

My sin won't define me.

Now Your power is coursing through my veins,

I won't fear anything.

Not my sin nor my shame, yeah, You've broken my chains,

Now I'm dancing in Your victory. *(To Chorus)*

BRIDGE

Energy moving through me, energy moving through my life.

Energy moving through me, energy overwhelming me.

BRIDGE 2

Energy moving through me,

Energy moving through my life.

Energy moving through me,

Energy overwhelming me. *(Repeat)*

BRIDGE 3

Your energy, it's overwhelming me.

Your energy, it's overwhelming me.

Your energy, it's overwhelming me. *(To Chorus 2)*

CHORUS

Holy Spirit, come move through us.

Now we're dancing, we're dancing in Your freedom,

Now we're dancing, we're dancing in Your freedom.

Holy Spirit, come move through us.

Now we're dancing, we're dancing in Your freedom,

Now we're dancing, we're dancing in Your freedom.
