

Territorial Music School - 2025

Vocal Audition

Welcome to Territorial Music School 2025!

The purpose of your vocal audition is so that you can be placed appropriately into a mixed chorus. Every camper will sing in a chorus throughout the week. In addition, some students will be selected to participate in the TMS 'A' Chorus. ***You are only eligible for 'A' Chorus if you sing your part for your audition. For example, if you want to be considered as a tenor, you should sing the tenor part. You are only eligible for 'A' Chorus if you submit your audition on time.*** If you would benefit from some coaching to prepare you for your vocal audition, please reach out to Rachel with this request.

All auditions will be done in advance. You will need to submit a complete video recording that is non-stop and unedited. It should be as if you are singing a live audition. You may record your audition as many times as needed and choose the best version. Using your phone to video is suitable. Upload your video file to <https://www.dropbox.com/request/chAXsICZYgoFZ8f4J3Cy> by **Thursday, August 14.**

Last minute reminders:

1. Position the camera where you will be visible the entire time.
2. State your full name, age, corps, and part (soprano, alto, tenor, bass).
3. Take your time and sing confidently!
4. Choose a key that is best suited to your voice type (high/low). If you don't feel comfortable singing a part and do not wish to be considered for 'A' Chorus, you can sing the melody. Sing along with the accompaniment track which can be found on our website (<https://salvationist.ca/music-gospel-arts/tms/>). There is a short introduction (2 bars).
