

Territorial Music School - 2026

Production Audition

Welcome to Territorial Music School 2026!

The purpose of your audition is to allow the leaders of the production mainstream to get an idea of your knowledge and experience prior to camp.

All auditions will be done in advance. You will need to submit two (2) pieces of your work with a few sentences that **describe the motivation and process** for each piece. This can be an individual project or a project where you were part of a team. This can be as small as a social media photo or story you've shared. It doesn't have to be a large-scale project. If you submit work where you were part of a team, please specify the exact portion that was your work. Submissions can be in any area of production such as photography, video, sound editing, graphic art etc.

If you have not completed any project-specific items, please submit a short paragraph that describes any experience you have had in the area of production.

Upload your video file to <https://www.dropbox.com/request/Gokc77yglWHgVlbjJMtx> by **Thursday, August 20.**
