Worship Audition

Welcome to Territorial Music School 2026!

The purpose of your worship audition is to allow the leaders of the worship stream to get an idea of your knowledge and ability prior to camp.

All auditions will be done in advance. You will need to submit a complete video recording that is non-stop and unedited. It should be as if you are singing/playing a live audition. You may record your audition as many times as needed and choose the best version. Using your phone to video is suitable. Upload your video file to

Last minute reminders:

1. Position the camera where you will be visible the entire time.
2. State your full name, age, corps, and instrument/voice.
3. Take your time and sing/play confidently!
4. Choose a worship song that showcases your ability. Sing or play along to a track and make sure that you are more prominent than the backing.
