

## Ministry Unit

### Spiritual & Religious Care Survey

The provision of Spiritual & Religious Care in each Salvation Army service is central to the mission of The Salvation Army. To help us strengthen our commitment, please answer the following three questions about the ministry of the chaplain and spiritual care.

1. What are your expectations of a chaplain or a spiritual care program?
2. How well are we meeting those expectations?
3. Please share other comments or concerns about the spiritual and religious care provided.

It is not necessary to put your name on this survey. However, if you would like to be contacted to talk more about your comments, please give us your name and contact information.

*Thank You for taking the time to share your feedback!*
