## April 2017 Territorial Prayer Focus

This month we celebrate Easter. Let us pray that God will use all Palm Sunday, Holy Week and Easter events across the territory to **communicate his love**; that many will hear, receive and be satisfied.

In his Easter message, General Cox notes that despite our abundance and wealth, modern humankind remain unsatisfied, **seeking to fill a recognized void** in their lives (*Salvationist Magazine*, page 11).

Let us pray that we would come to know that God's love is sufficient. God's love brought His Son down from Heaven, God's love let Him die on the tree; God's love, it has bought my salvation, **God's love is sufficient for me** (SASB 24). Pray that we would know the satisfaction of God's measureless love (Romans 8:37-39). Knowing the love of God, let us love one another.

Please pray for generous responses to the ***Partners in Mission*** fund raising campaign. The territorial goal is \$2.25 million. Information is available at [www.salvationist.ca/action-support/partnersinmission/](http://www.salvationist.ca/action-support/partnersinmission/).

Please pray for **Booth University College** as they incorporate in the April 29-30 **Convocation** weekend activities to recognize their **35th anniversary**.

Please plan to participate in the Territorial Week of Prayer April 24-30. This prayer focus is especially directed toward the Newfoundland and Labrador Divisional Congress and Territorial Commissioning of Cadets. A ***Mobilized to Pray*** downloadable prayer guide is available at [saspirituallife.ca](http://saspirituallife.ca).

**Rejoicing together**, 40 members have joined the Corps in Woodstock, NB (new Canadians from the Philippines). The congregation has basically doubled. We are rejoicing and give the glory to God. Please pray for these new families; that they will continue to grow in their faith and find encouragement as they embrace their new family of believers.

Please pray for the April 20-22 Territorial **Emergency Disaster Services Conference** hosted in Halifax.

Please pray for **Junior Youth Councils** held throughout the Maritime division: Fredericton (April 1), Yarmouth (April 8), Summerside (April 29).

Pray for **Area Commanders** as they travel Divisions to support officers and ministry.

Pray for **Leadership Development Days** in the Alberta Division.

Please pray for officers who have been appointed to attend a session at International College for Officers (ICO); Major Pamela Pinksen returning from ICO and Major Mark Dunstan preparing to go to ICO.
