

World Wide Prayer Focus

Papua New Guinea

- **2019 Self Denial Altar Service, Sunday 28 July. Officers, soldiers, comrades, friends to give with generous heart.**
- **We praise God for the great number of young people who are active in various programs. May many more of them respond to the Call of Jesus upon their lives. There is a great need for more dedicated and committed youth workers to minister in Jesus' name.**
- **A lot of social issues occur in the surrounding communities affecting many people. Pray for the covering hand of God that the Good News of the Saviour Jesus Christ through Settlement Ministries and Community Services will increasingly reach many people so that they may live in the peace they are so desperate for.**

- 
- **Ongoing ministries in Honiara city and towns in Solomon Islands District. Pray for the leadership training course "EQUIP" that commenced last March to become a pathway to Salvation Army Officership and to produce capable workers who are ready to help people in need.**
 - **Health Services ministries through health posts in villages. The health condition of mothers and children who are vulnerable to various infectious diseases is the main focus of the health services. Pray for health workers, for their safety and protection when visiting places with minimal public facilities.**
