

# **World Wide Prayer Focus**

## **The Netherlands, Czech Republic, Slovakia Territory**

### **Netherlands:**

- **Spiritual renewal. Pray for the renewing power of the Holy Spirit throughout our Territory, in every expression of the Army.**
- **We dream of many new neighbourhood focused faith communities. We give thanks to God for the communities that are already there. Please join us in prayer that new ones will be established and for leaders with a vision for these faith communities.**

- 
- **Children and youth work. Thank God and pray to Him for the youth workers team at THQ and for the youth workers in the corps. We pray for signs and wonders from God in the lives of children and youth. Pray for a blessing upon all the work under children and youth. Please also pray for the opening of a Salvation Army Youth HUB which will enable us to disciple youth and minister to the needs of youth at a local level.**
  - **More people who will respond to God's call for officership.**

## **Czech and Slovakia:**

- **Please pray that our employees may keep and live out the SA values in their daily work with the clients. (Values are: Faith, Hope, Love, Respect, Unity and Honesty).**
- **Please pray for a Spirit filled Youth worker to work with the youth in our Corps and centres.**
