

## **World Wide Prayer Meeting June 6, 2017**

### **Sweden and Latvia Territory**

Song #755/379 "God of Comfort and Compassion"  
(with intercessory prayer between the verses)

#### **Prayer Points:**

We need leaders and leadership. Please pray with us for more officers, local officers and leaders for children and youngsters.

For the protection and spiritual growth of our officers. (Latvia)

For each corps to have a strong local leadership, who serve the society around them. (Latvia)

---

The first week in July top-leaders within politics, business, organizations and church will gather at the beautiful island of Gotland for seminars and debates, the SA will be there with a small group. Please pray with us that our influence through the Holy Spirit will be much larger than the number of our group.

During the autumn 2015 Sweden welcomed a massive number of refugees, mainly from Syria, Afghanistan and Iraq. Please pray with us that we through God's grace and help may see many saved souls among these people, many with Islamic background and traumatised from war, and help them integrate in the Swedish society and in the SA.

---

For decades the Christian church in Sweden has been on retreat. Please pray with us that we once again, through the Holy Spirit, may mobilise and be on the offensive and take back what our enemy the devil has stolen in area by area.
