Prayer Requests

- ❖ Pray for the women who are in our Kuwait Booth House refuge, for domestic workers in distress, many who have been treated very badly. Pray that they will find rest, healing, hope, and skills as they train to aid in rebuilding their lives.
- ❖ Pray for our children's church in Muscat Corps, Oman.
- ❖ Pray for the Salvationists in Saudi Arabia where there is no freedom of religion, or is very limited. Pray that the new secret meetings they hold will be protected by God and purposeful in their growth as His people.
- ❖ Pray that the Lord will provide more officers for the region - they are needed for Bahrain and Oman! Our un-officered centres do desire officer leadership and occasionally it is seriously needed when pastoral and people problems arise.
- ❖ Please pray for the local leaders in the Middle East Region - who are fine people holding together formidable fellowships, whilst still working in various employments.
- ❖ Pray for the many expatriates, especially Salvationists, who are experiencing the result of the reduction in the price of oil. Expats from the US, Europe, Asia, and Africa are all being affected by this - either by terminated contracts or altered ones resulting in reduced pay, thus causing difficulties and burdens for many.
- ❖ Pray for all those who come here to better themselves and their families, only to discover they have been tricked by the agents manipulating and exploiting them.
- ❖ Pray for the neighbouring lands where violence, war, hate, prejudice, injustice and confusion reign; i.e., Iraq, Syria, Yemen, Lebanon, and the nations in Palestine.

Psalm 96:3

“Declare his glory among the nations, his marvelous deeds among all peoples.”
