### Prayer Points – March 21, 2019

The Salvation Army in DRC is aiding hundreds of refugees who have fled conflict between ethnic groups. Please pray for all who are helping to service them food, bedding, mosquito nets and more.

The Army is working with a United Nations agency as well as other NGO's. Please pray for a good working relationship.

An estimated 7,000 people have fled the area of fighting, so pray for them as they are exhausted, and traumatized by all they have experienced.

### About the DRC:

Christianity is the majority religion in the DRC, followed by about 95% of the population. (afrikanza.com)

The nation has been marked by “persistent corruption, deadly militia violence in the east and prodigious production of copper and cobalt that nevertheless failed to significantly improve living conditions.” (16/03/2019, africanews.com)

The Virunga National Park is one of the most biologically diverse areas on the planet and home to the world’s critically endangered mountain gorillas. The Virunga contains two of the world’s most active volcanoes.

The DRC is among the most resource-rich countries on the planet, with an abundance of gold, tantalum, tungsten, and tin – all minerals used in electronics such as cell phones and laptops – yet it continues to have an extremely poor population. (dosomething.org)

“The Ebola outbreak in the Democratic Republic of Congo is not under control and could continue for another year” said Dr. Robert R. Redfield, director of the Centers for Disease Control and Prevention. (16/03/2019, nytimes.com)
