For the healing of the nations,
Lord, we pray with one accord,
For a just and equal sharing
Of the things that earth affords,
To a life of love in action
Help us rise and pledge our word.

Lead us forward into freedom,
From despair Your world release,
That, redeemed from war and hatred,
All may come and go in peace.
Show us how through care and goodness
Fear will die and hope increase.

All that kills abundant living,
Let it from the earth be banned:
Pride of status, race or schooling,
Dogmas that obscure Your plan.
In our common quest for justice
May we hallow life's brief span.

You, Creator God, have written
Your great name on humankind;
For our growing in Your likeness
Bring the life of Christ to mind;
That by our response and service
Earth its destiny may find.
