

## ANDES

### South America West

In Deuteronomy 10:12 we read: "... *fear the Lord and walk in his ways ...*" Interestingly part of the call of this verse coincides with the name of a mountain range that symbolizes the strongest factor of identity and unity among the countries that make up the Territory West of South America (Chile, Peru, Bolivia and Ecuador): the Andes mountain range.

This chain of mountains that crosses Argentina, Chile, Peru, Bolivia, Ecuador, Colombia and part of Venezuela, has the highest mountains on the planet outside the Himalayas. "In the countries of the territory the highest mountains are: in Chile:" Ojos del Salado "6,893m, in Peru:" Huascarán "6,768m, in Bolivia:" Nevado Sajama "6,542m, and in Ecuador:" Chimborazo "6,310m. South America West is therefore the territory of the **ANDES!**

*"I raise my eyes to the mountains; Where does my help come from? My help comes from the Lord, creator of heaven and earth. " (Psalm 121: 1)*

From this biblical call and symbol of identity and unity comes the acrostic for the emphasis that the territory will have in the coming years:

**A**... a principle A utosustento (Malachi 3:10, 2 Thessalonians 3: 6-12)

**N**... a public N ñez ñez ((Proverbs 22: 6, St. Matthew 19:14)

**D**... a discipleship strategy (Matthew 28: 19-20, 2 Timothy 2: 2)

**E**... an e xpansion mentality (John 15:16, Matthew 25: 14-30)

**S**... a foundation S antity (1 Thessalonians 5:23; 1 Peter 1: 15-16)
