

Prayer for Strategic Priority - Spiritual Health

Guide us O Thou Great Jehovah - Lord - God Almighty.

Guide us in our financial management to reflect the priority of spiritual care, the chaplains and soul care would find its place in our budgets.

Guide us in our time management that we would make time for spiritual disciplines that will create openings and space for God to work in our lives; solitude, silence, prayer, study...

Guide us in our living with one another that our community life would reflect Kingdom Life and values; loving one another, serving one another, submitting to one another out of reverence for God.

Spiritual Health and wellness is about good relations with God, others and self. Guide us toward stronger and healthier relationships. As we respond to and receive your grace and goodness guide us toward a fuller experience of salvation, holiness and intimacy with You, God.

Amen.
