

World Wide Prayer Meeting January 28, 2016

Prayer is the soul's sincere desire
Uttered or unexpressed,
The motion of a hidden fire
That trembles in the breast.

Prayer is the burden of a sigh,
The falling of a tear,
The upward glancing of an eye
When none but God is near.

Prayer is the simplest form of speech
That infant lips can try;
Prayer the sublimest strains that reach
The majesty on high

Prayer is the contrite sinner's voice
Returning from his ways,
While angels in their songs rejoice
And cry: Behold, he prays!

Prayer is the Christian's vital breath,
The Christian's native air,
His watchword at the gates of death;
He enters Heaven with prayer.

O thou by whom we come to God,
The life, the truth, the way!
The path of prayer thyself hast trod:
Lord, teach us how to pray!
