Psalm 103:1-11

Yet once again by God's abundant mercy

Tune 494

Yet once again, by God's abundant mercy	O for the time of Christ's completed mission!
We join our song of thankfulness and praise;	Throbs of its rapture reach us as we pray;
Ever the light of our redeemer's victory	Gleams of its glory bursting on our vision
Shineth before us in the world's dark ways.	Speed us to labor, urge us on our way.

Jesus shall conquer, lift up the strain!

Evil shall perish and righteousness shall reign.
