- For the ANDES mission.

- For our Territorial women's Camp next November in Cochabamba, Bolivia
- For our Territorial women officers' leadership conference
- For the continuity of help and work in Ecuador, post-earthquake
- Evangelina Booth Girl's Home (Cochabamba, Bolivia) – additional funding for salaries. Everything needed to provide for the girls is well-funded, but paying the staff is the challenge. CAN is the major support territory for the home.
- We are working in reviewing our properties that are not being used to develop projects that can generate incomes. We are in the process to define and see what we can do to move towards sustainability. Please pray for God's wisdom for us to understand what do we need to do and how to do it
