

## Hiring and Orientation

Identify two values that are important to you and explain why. What do you do to model these values?

Describe the way you handled a specific problem involving others with differing values, ideas, and beliefs in your current or previous job.

What does \_\_\_\_\_ (Fill in the value) mean to you? Describe a time when you have observed or practiced it in the workplace.

What does service look like to you in a not-for-profit context?

What are practical ways you would like to see hope practiced in the workplace?

Tell me about a time where you had to accomplish a task with few resources.

Have you ever been in a work-related situation where you have not experienced respect? What was your response to that situation?

What does it mean to you when I say "values are more than words?"

Have you ever been in a situation where your values did not align with those of the organization? How did this impact you?
