Re: Self-Denial Campaign 2024 – “Faith in Motion”

Dear Partners in Mission,

Commissioner Debbie and I are delighted to send our warm personal greetings and best wishes for 2024 at the start of this new year. We are grateful to God for the opportunity to serve and lead in the Canada and Bermuda Territory and we thank you for your warm welcome and continued support of the international work of The Salvation Army.

The territorial Self-Denial goal for 2024 is \$2.4 million. As the world continues to face economic hardship and instability, inflation, humanitarian crises and war, the work of The Salvation Army in the 134 countries where we serve is needed now more than ever. As we reflect on the realities around our world, we invite you to share in this self-denial campaign which encourages each one of us to practice **“Faith in Motion.”**

Your donation will help us live out the words as recorded in Hebrews 11:1 *“Now faith is confidence in what we hope for and assurance about what we do not see.”* We encourage you to get involved and to help realize the power of our theme **“Faith in Motion.”** Every dollar donated represents an act of generosity, kindness, and love to those who desperately need our mission support.

Commissioner Debbie and I invite you to once again partner in the global mission of The Salvation Army through the Partners in Mission Self-Denial Campaign 2024. Together, let’s embrace **“Faith in Motion”** to help unleash a tidal wave of kindness and support. Please visit salvationist.ca/PIM for more information.

Thank you for your consideration and action in the days ahead.

May God richly bless you.

Sincerely,

Lee Graves
Commissioner
Territorial Commander
