

Dear Friends,

Partners in Mission is The Salvation Army's international strategy for connecting territories around the world in a practical, financial and prayerful way. The money raised provides funding for vital infrastructural resources that enable territories worldwide to carry out their mission.

All territories participate in the Partners in Mission campaign and the funds raised are distributed annually by International Headquarters. As a mission partner, your financial gift has a direct and immediate impact on The Salvation Army's work in communities around the world - and for this, we thank you!

Sincerely,

Brenda
