The Brighter Futures children's sponsorships program has committed more than \$180,000 USD to support over 75 children.

Your support will help provide living essentials, which will help in offering a safe and nurturing environment where each child will feel valued and loved

UNDER the TREE

Under the Tree aims to bring awareness every year to three main areas in which the International Development Department works -- Children's homes, schools, and agriculture projects.

Ministry Units can work together as a congregation, a women's ministry group, a youth group, etc. Individuals can then purchase specific items that will help Fill a Dorm, Fill a School and Build a farm.

WHY DONATE?

Many children are unable to meet their basic needs because of extreme poverty. Salvation Army addresses this need by supporting various children's homes and centers in providing nutritious meals to underprivileged children as a way of reducing hunger, improving nutrition, and providing safe housing.

The **Fill a Dorm** fundraiser will provide children and youth living in Sri Lanka. This campaign aims to help children have access to adequate education, food, and so much more.
