UNDER THE TREE

Under the Tree aims to bring awareness every year to three main areas in which the International Development Department works -- Children's homes, schools, and agriculture projects.

Ministry Units can work together as a congregation, a women's ministry group, a youth group, etc. Individuals can then purchase specific items that will help Fill a Dorm, Fill a School and Build a farm.

Why Donate?

The Salvation Army believes in the power of quality to education to help lift children out of poverty. However many children around the world, especially girls, are often not afforded the chance to go to school.

The **Fill a School** fundraiser will provide children and youth with the tools and resources they need to flourish in the classroom.

In 2025, funds will go **towards students in Liberia**. With your donation, The Salvation Army can provide students with educational support.
