January 2019

Dear Friends,

Thank you for your generous support of the 2018 Partners in Mission campaign. We look forward to your continued support as we launch the 2019 campaign. The Canada and Bermuda Territorial goal has been set at **\$2.3 million** and we have every confidence that this is within our reach!

We are excited that the 2019 Partners in Mission campaign will focus on a variety of ministries within the Mozambique and Malawi Territories. A series of videos have been developed once again for use in your ministry unit. Please share these resources with local leaders in your congregation and encourage them to utilize the videos and other resources available on our saworldmissions.ca website.

We continue to be intentional in our promotional material to ensure that Salvationists across Canada and Bermuda understand that although we highlight ministry in specific territories, the funds raised are forwarded to IHQ who then allocates them to territories according to need.

I would like to take this opportunity to remind you that all territories participate in the Self Denial/Partners in Mission campaign. This is important as every Salvationist is called to support the international Salvation Army.

As in the past, Territorial Headquarters will on an annual basis automatically withdraw the funds collected from your account based on what is reported in the financial records of your ministry unit. The transfer will be the balance of funds raised from July 2018 – June 2019. No cheques or request to make payment are necessary to transfer the funds.

If you are interested in using specialized Partners in Mission donation envelopes, please contact Supplies and Purchasing at orderdesk@can.salvationarmy.org or call **416-422-6100**. Please note that while the envelopes are provided free of charge, there will be a shipping fee.

Thank you for partnering with us to support the international ministry of The Salvation Army.

For God is the King of all the earth; Sing praises with a skillful psalm. God reigns over the nations, God sits on His holy throne. Psalm 47:7-8

Together we can make a difference and build the Kingdom of God!

With thanks,
