January 2020

Dear Friends,

Thank you for your generous support of the 2019 Partners in Mission Self-Denial campaign. We look forward to your continued support as we launch the 2020 campaign. The Canada and Bermuda territorial goal has been set at **\$2.3 million** and we have every confidence that this is within our reach!

We are excited that the promotional materials for the 2020 campaign will focus on a variety of ministries within the Bangladesh, India Central and Caribbean Territories. Once again, a series of videos have been developed for use in your ministry unit. Due to the results of the May 2019 survey, we are excited to share that we have added a few new resources, including, but not limited to, a children's time resource developed by the territorial youth department, and PowerPoint slides for the international personnel serving outside the country. Please encourage your local leaders to use the materials with their various groups.

We continue to be intentional with our promotional materials to ensure that Salvationists across the Canada and Bermuda Territory understand the value, importance and process of the Partners in Mission Campaign. As a reminder, **please understand that although we highlight specific territories, the Partners in Mission funds raised are distributed through International Headquarters to territories based on need.** Also, I would like to take this opportunity to remind you that all territories, whether financially independent or grant-aided, participate in the Partners in Mission Self-Denial campaign. Every Salvationist in the world is called upon to support the international work of The Salvation Army.

As in the past, the territorial finance department will automatically withdraw the funds collected on an annual basis from your bank account based on what is reported in the financial records of your ministry unit. The transfer will be the balance of funds raised from July 2019 – June 2020. No cheques or request to make payment are necessary to transfer the funds.

If you are interested in using specialized Partners in Mission donation envelopes, please contact Supplies and Purchasing at [orderdesk@can.salvationarmy.org](mailto:orderdesk@can.salvationarmy.org) or call **416-422-6100**. Please note that while the envelopes are provided free of charge, there will be a shipping fee.

Thank you for partnering with us to support the international ministry of The Salvation Army "so others may know Christ."

**Together we can make a difference and reach the World for God!**

With sincere thanks,

Lt-Colonel Brenda Murray  
*Director of World Missions*
