

Dear Friends,

Self-Denial is The Salvation Army's international strategy for connecting territories around the world in a practical, financial and prayerful way. The money raised provides funding for vital infrastructure resources that enable territories worldwide to carry out their mission.

All territories participate in the Self-Denial campaign and the funds raised are distributed annually by International Headquarters. As a mission partner, your financial gift has a direct and immediate impact on The Salvation Army's work in communities around the world—and for this, we thank you!

Sincerely,

Lt-Colonel Brenda Murray
Director of International Development
